Dear fellow citizen,

Warm greetings on the auspicious occasion of Diwali!

This festival celebrates the eternal victory of light over darkness, goodness over evil and hope over despair.

Diwali is also an occasion to cherish our rich traditions and strengthen the bonds of togetherness.

May Diwali illuminate every home with happiness, harmony and prosperity.

May this festive season inspire us to spread kindness, embrace positivity and work towards a brighter future.

Let us move forward with renewed energy and determination to build a prosperous and Viksit Bharat.

Once again, wishing you a Happy Diwali!

Yours,
Narendra Modi
