Prof (Dr) Bharat Raj Singh of School of Management Sciences (Technical Campus), Lucknow and **Prof (Dr) Onkar Singh** of Harcourt Butler Technological Institute, Kanpur, UP co-authored a chapter for a text book titled *Can Glacier and Ice melt Be Reversed?* for Grade 10-12 students in the United States of America, making it the first academicians' work to feature in a US school text book. The book was launched in New York in February 2014.
