**Dear Dr. B. R. Singh,**

My heartiest congratulations for the great achievement, which is certainly an outcome of the sincere and concerted efforts and dedication of your team and your astute leadership.

We have come a long way from the time the institution was founded almost 15 years ago. You have been instrumental in building it brick by brick and adding one achievement after another to SMS.

I once again congratulate you and your team, and wish that your journey towards excellence will continue and the institution will scale new heights under your able leadership.

Sincerely
