

**Brief Profile of
Professor (Dr.) Bharat Raj Singh,
Director General, School of Management Sciences, Technical
Campus, Lucknow.**

Dr. Bharat Raj Singh was born in 1947 in Raibigo, a village in Sultanpur district. He did his schooling from Sultanpur and Jaunpur and completed his B.Sc degree from Allahabad University in 1967. After that, he did BE (Mechanical Engg.) from 'Sardar Vallabh Regional College Surat Gujarat in 1972, Master of Engg., in mechanical Engineering from 'Motilal Regional College Allahabad' in 1988 and Ph.D. in Mech Engg., from Gautam Buddha Technical University, Lucknow Received in 2011.

Dr. Singh was a student of 'science and investigation' from the very beginning and he was given the award for invention in science by His Excellency Hon., Governor of the UP State in 1965. Apart from this, 'Best-Officer' Award in 1981 and "Samaj Shree" National Award for Earthquake Work in 1994 was awarded in Mumbai. He was awarded **Air-O-Bike** in the Limca Book of Records in the year 2014 and 2015 and the Chapter Implementation in High School in America and Life Achievement Award by the institution of America in 2012, Observer Peace Award in 2016 and Limca Book of Records in 2017 and A in 2018. .KTU Education Award has also been awarded.

Dr. Singh's has an experience of more than 50 years, has been in the field of administrative and education, in which he has been serving in Government of India, State Government institutions for 32 years from Engineer level to Managing Director, UP Rajkiya Nirman Nigam and after retirement, he served as Professor for the last 18 years in teaching; Head, Dean, Additional Director at various levels and currently working as Director General in 'School of Management Sciences, Technical Complex, Lucknow'.

Dr. Singh gave a new dimension to various projects of the state and set a new record by completing very important and timely projects like 13-sugar mills, 14-spinning mills, BHL Jagdishpur and Varanasi ahead of time.

In the education world, being a very 'subtle and deep' thinker from the beginning, after retirement, started studying again and for the last 17-18 years, he has done unique work in the direction of environment and environment change at the world level.

The title of Ph.D. is an example of his fourth degree. He invented the '**air-powered engine**' in place of hydrocarbon fuel to reduce the world-class pollution of the environment, which is the result of his tireless efforts from 2004 to 2010. The use of this pollution-free engine in small vehicles has been estimated to reduce carbon-emission by 50-60%, which is moving towards giving a new direction to the worldwide environmental threat.

His research has been widely discussed in the world by news media, radio, Doordarshan in countries like America, Brazil, Canada, Germany, Iran, Iraq, Pakistan, China, Taiwan, Bulgaria, Thailand, Korea etc. Patent has been notified by the '**Patent Department of Government of India**' on **13th April 2012** and on **28th July 2020 Patent Certificate 342731** has also been issued.

Dr. Singh's research, about 151 papers at his credit and have been entered in the list of world-class prestigious general conferences, seminars. By him, chapters in 26-books and 29-books have also been published from UK, America and Croatia. One of his books - **Can Glacier and Ice Melt Be Reversed** - is being taught in **America's 10-12 curriculums**.

Dr. Singh's specific research area is: **Air Engine**, Thermodynamics, Unnatural Manufacturing, Unnatural Energy and Conservation etc., related to the environment, on which it is continuously working. Under Vedic Science, there is their latest discovery of the secret of 108 visible beads in Hades and Rudraksh and Tulsi garlands.

Dr. Singh has also been appointed 'Member and Consultant Member' by about **49 world-class reputed Journal** and research institutions, in which he is contributing continuously. He is being consulted by the prestigious institute Elsevier's Science Direct, IMech, UK, American Institute of Physics for continuous research. Now they are in Uttar Pradesh. Member has also been appointed in Electricity Regulatory Commission. Member has also been appointed in Electricity Regulatory Commission
