To

Sri Bharat Raj Singh

5/323, Viram Khand,
Gomti Nagar,
Lucknow-226 010

Research Topic : "Design & Development of Zero Pollution Air Engine"

Supervisor : **Dr. Onkar Singh**
Department of Mechanical Engineering
H.B.T.I., Kanpur

Co-Supervisor :

Sir/Madam,

Please refer to your application dated **02-JUN-05** for Ph.D. on the subject /branch **Mechanical Engineering** RDC has taken following decision in the meeting dated **08-JUN-07**

Decision : Progress satisfactory
"Candidate should clearly demarcate the theoretical analysis and thermodynamics cycle for the engine under study. The candidate should clearly indicate what are the parameters and variables that candidate want to study."

Please take further necessary action as described / ticked below :

1. Submit revised synopsis (three copies) as per the revised topic duly signed by the supervisor within three months from the date of issue of this letter.
2. Submit a copy of revised synopsis as suggested by the committee, duly signed by the supervisor within three months from the date of issue of this letter.
3. Submit new synopsis with new topic (eight copies) duly signed by the supervisor within five months from the date of issue of this letter.

Sincerely Yours

(Dr. R.K. Singh)

Coordinator : R & D Prog.
For Registrar

Endt. No. & Date : As above
